## COMPANY PROFILE

**Your Global Freight Partner**

*always moving forward with you*

Delivering reliable, efficient, and professional  
logistics solutions that connect business worldwide.

## ABOUT AVEON

---

Established in 2010, Aveon Global Transports Sdn Bhd is a Malaysian-based international freight forwarding and logistics solutions provider founded with the vision of delivering reliable, efficient, and customer-centric transportation services. Over the years, the company has evolved into a trusted and reputable name within the freight forwarding and logistics industry, continuously strengthening its operational capabilities, service portfolio, and global logistics network to support clients across domestic and international markets.

Since its inception, Aveon has successfully executed a wide range of logistics operations encompassing project cargo management, heavy lift transportation, industrial equipment handling, international freight forwarding, warehousing, and integrated end-to-end supply chain solutions. Our extensive experience in managing complex, high-value, and time-sensitive cargo movements has reinforced our reputation for operational excellence, safety compliance, reliability, and service quality.

Supported by a team of experienced logistics professionals and strategic global partnerships, Aveon remains committed to delivering seamless and tailored logistics solutions that meet the evolving demands of industries such as oil & gas, manufacturing, construction, engineering, retail, and industrial sectors.

With more than a decade of industry expertise, Aveon Global Transports continues to drive business connectivity and supply chain efficiency through dependable logistics and transportation solutions worldwide.
